

QODA-2400-2500-7-NM

2.4~2.5GHz, 7dBi, N

Features:

- * Moderate Gain
- * Simple Structure
- * 360° Horizontal Coverage

Applications:

- * Cellular Networks
- * Broadcasting & Public Safety
- * Military & Marine

Electrical

Frequency:	2.4~2.5GHz
Gain:	7dBi
Omni Ripple:	±1.5dB
VSWR:	1.5 max.
Beamwidth:	22° @E plane 360° @H plane
Built-in Electrical Downtilt Angle:	0°
Power:	100W max.
Polarization:	Vertical linear polarization
Impedance:	50Ω

Mechanical

Connectors:	N Male
Antenna Weight:	250±10g
Clamping Weight:	220±10g
Antenna Radome Material:	Fiberglass
Antenna Radome Color:	Gray

Environmental

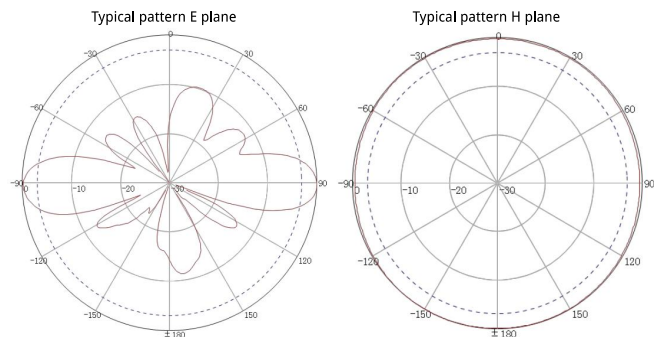

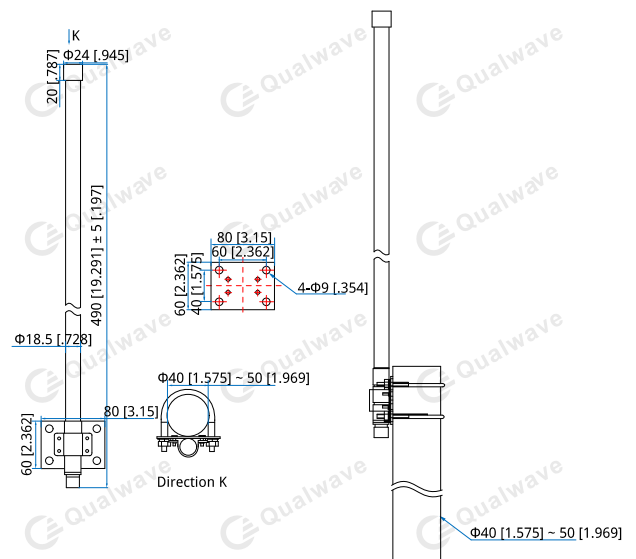

Operation Temperature:	-40~+85°C
Rated Wind Velocity:	60m/s
Relative Humidity:	5~95%
Salt Spray:	96 hour neutral

How To Order

QODA-2400-2500-7-NM

Customization is available upon request.
